

ICBI 2027

5th International Congress on Biological Invasions

From Threats to Solutions: Advancing Biosecurity

18-21 April 2027
Murdoch University
Perth, Western
Australia

The 5th International Congress on Biological Invasions in Perth, Western Australia, aspires to advance global biosecurity efforts through a multi-day conference traversing themes from biosecurity threats to innovative solutions.

Your sponsorship is integral to creating a successful, engaging, and inclusive ICBI congress that effectively meets its objectives. A suite of sponsorship packages have been created, from Platinum through to Bronze, as well as specific opportunities to support indigenous participation, support workshops, and encourage research students.

Organisations also have the opportunity to sponsor one of our congress social events, such as the Gala Dinner, Poster Sessions, or Welcome Ceremony. Exhibition packages can be added on to any other sponsorship package, where not already included. Each package entitles the sponsor to an extensive list of inclusions which acknowledge your brand and contribution, while providing for congress participation and networking.

Sponsorship Packages	Availability	Value
Platinum Sponsor	2 opportunities	POA
Gold Sponsor	4 opportunities	\$24,000
Silver Sponsor	Multiple opportunities	\$12,000
